Your First and Last Name (please print) \_\_\_\_\_

One of the best ways to improve any group is to evaluate it! You have the opportunity to assess both the strengths and the weaknesses of your particular group. The questions below will help you think through different aspects of your group life. Please answer them *thoroughly* and *honestly*.

## Your Group

One of the things I've enjoyed most about being in a small group this semester is:

\_\_\_\_\_

Are you happy with the amount of time we spend each week in:	Yes	No	Comments
Discussion	_____	_____	_____
Study	_____	_____	_____
Prayer	_____	_____	_____
Worship (if applicable)	_____	_____	_____

Is the length of the meeting appropriate? Yes \_\_\_\_\_ No \_\_\_\_\_

Please explain.

\_\_\_\_\_

How have the group discussions gone? Is everyone who wants to share able to share? Are there any people or issues that quell the discussion?

Explain:

\_\_\_\_\_

Do you have any suggestions for improving the meetings?

\_\_\_\_\_

## Your Plans

For the next growth group session, I'm planning to

1. Remain in the same small group.
2. Try a new small group.
3. Take a break from small groups.

Put answer here (1,2 or 3) \_\_\_\_

## Your Homework

What do you like most about the homework?

\_\_\_\_\_

What do you like the least?

---

If you could change just one thing about the homework, what would it be and why?

---

The amount of homework is

1. Just about right.
2. A little too much.
3. Not quite enough.

Put answer here (1,2 or 3) \_\_\_\_\_

*Please explain.*

---

## **Your Leader**

One of the things I appreciate most about my small group leader is:

---

If your leader asked for advice on whether he or she could talk *more, less, or exactly the same* during your meetings, what would you say?

---

Is there anything your leader could do to make your meetings even better?

---

## **Your Host**

One of the things I appreciate most about our host is:

---

Is there anything your host could do to make your meetings better? (seating arrangements, lighting, temperature, refreshments, socials, etc.)

---

## **Yourself**

What challenges did your time in God's Word and with those in your group bring to the surface during this semester, both inside and outside of your weekly meetings?

---

Did you experience anything that has helped you in understanding your relationship with Jesus Christ and His followers better or did you discover or clarify a new truth about God and His Word? Please explain.

---

What has happened during the last seven to eight weeks as a direct result of your time in this group that you would consider a victory?

---

Please add anything else you would like to say that might prove helpful to the Small Group Ministry at Central.

---
